

Hello World Animation Script

Num	Illustration	Description
1		<p>Dubbing comes first. Frame changes from Dark to light. There is some shadows on the wall.</p> <p>Dubbing (Science TV show/storytelling tone): Plato's allegory of the cave is a story about some prisoners chained from birth in an underground cave, being able to see nothing but moving shadows cast on the back wall, which let me start to think how we perceive the real world.</p>
		<p>One white balls fall into the transparent water. Behind that, some white and colourful balls come as well (not focused).</p>
		<p>Two balls collide each other (white and x colour). White ball then becomes x colour. Float and leave the frame.</p> <p>*Bubbles sound</p>
		<p>Two colourful balls collide each other. Become the same colour. Zoom out. Many colourful balls collide each other.</p>

		<p>Zoom out slowly. Two colourful balls collide each other. Become red. Blurred. Zoom out.</p>
		<p>A red strip appears the water. (from down to center)</p> <p>*With a sound: Breaking news, today... (blurred) Then it swims like a fish.</p>
		<p>The red strip swims. It swims around a white ball. The white ball then becomes red.</p> <p>*Slow</p>
		<p>Many red strips swims. Cross each other.</p>

		Boxes with Logo (Ins, Twi, FB) are producing more red strips.
		Red strips are being produced. (Slow) *Sound: printing & message notification sound
		They swims around white balls and balls in other colours. (fast) All of them become red. *Sound: FB Like
		Red strips are being produced. (A little bit fast) *Sound: printing & message notification sound

		<p>Red strips come together. Become a storm. The centre of the storm comes to the camera. Frame becomes black.</p> <p>*Sound: Bat fly?</p>
		<p>Frame changes from Dark to light. There is some shadows on the wall. It is the shadow of website viewing.</p> <p>*Sound: Light open/computer open, mouse click</p>
		<p>Zoom out. The screen divides into two parts (shape: round circle). This is the screen of a red VR device.</p>
		<p>Red VR tries to bind a human's head. Dissolve translation. Finally, a red strip binds the human's head.</p>

		Many human's heads bound with red strips are showed in a gallery.
		Camera move out of the room. The background is space. Dubbing:? The room is floating (falling) in the space. The text 'Hello World' is falling in the space, too. End.
